

Teton Raptor Center Internship

Dates: January 11 - December 17, 2027

Hours per week: 40

Jackson Hole, Wyoming

Stipend: \$1,500/month

Housing: Provided (see below)

ORGANIZATIONAL OVERVIEW:

Teton Raptor Center is a nonprofit organization working to advance raptor conservation through education, research, and rehabilitation. We are located at the historic Hardeman Ranch, a Jackson Hole Land Trust protected property in Wilson, Wyoming.

POSITION OVERVIEW:

Teton Raptor Center (TRC) is offering a unique year-long internship for an early-career professional eager to gain hands-on experience in nonprofit conservation work. This immersive position provides broad exposure to all pillars of TRC's raptor conservation mission, including education, research, and rehabilitation — while emphasizing communications, storytelling, public engagement, and nonprofit administration and operations.

The intern will work across departments and support the organization's communications and marketing efforts by developing compelling digital content, assisting with outreach campaigns, representing TRC at events, and helping to tell the stories of raptors, science, and community impact. This internship is ideal for a strong communicator who is excited about conservation, science communication, and the behind-the-scenes operations of a dynamic nonprofit.

We're looking for someone who is curious, adaptable, team-oriented, and ready to jump into a dynamic, mission-focused environment.

GENERAL RESPONSIBILITIES

Education & Outreach Support

- Assist in the preparation and delivery of live raptor education programs.
- Collect and incorporate participant feedback in partnership with the Education team to improve programming.
- Assist in developing clear, compelling marketing materials for TRC's educational offerings.

Research & Fieldwork

-
- -

- Organize and catalogue photo/video assets from field projects, which may include backcountry travel and overnight stays
- Use field experiences, current media assets, and new content to create engaging outreach for general audiences about TRC's ongoing research

Raptor Care (Rehabilitation & Resident Birds)

- Assist in the husbandry and enrichment of avian ambassadors and patients
- Supporting patient admissions and the Raptor Hotline

Nonprofit Operations & Administration

- Contribute to administrative functions such as data entry, mailings, and filing
- Support fundraising and donor communications efforts
- Help manage volunteer activities and assist with campus events
- Help create social media and digital content, including weekly e-newsletters
- Assist in our nature shop
- Catalog photos and videos

Poo-Poo Project

- Assist with logistics, outreach, sales, and distribution of TRC's premiere international conservation product.

Facilities & Stewardship

- Support ongoing site maintenance including snow removal, lawn care, landscaping, and upkeep of indoor and outdoor shared spaces
- Support TRC's sustainability initiatives through recycling and waste reduction
- Serve as a respectful, responsible resident intern, sharing housing duties and helping maintain a welcoming, safe environment.

QUALIFICATIONS & SKILLS:

- Deep interest in conservation, science communication, and nonprofit work.
- Strong writing, visual storytelling, and verbal communication skills.
- Experience or interest in photography, videography, and digital content creation.
- Familiarity with social media platforms and tools like Canva or similar.
- Organized, self-motivated, and able to manage multiple projects with attention to detail.
- Comfort with shadowing outdoor fieldwork, including some physically demanding tasks.
- Outgoing and collaborative, with strong interpersonal skills and a team-oriented mindset.
- At least 21 years old with a valid driver's license and clean driving record.
- Ability to lift 40 lbs and work some early mornings, evenings, and weekends.

COMPENSATION/BENEFITS:

- Internships may be used for academic or vocational purposes. Interns are responsible for making the arrangements necessary to receive relevant credit as a result of completing the internship.
- Monthly stipend: \$1500
- On-site housing- As a condition of this opportunity, the individual must reside in TRC's workforce housing units.
- Use of TRC vehicles for Teton Raptor Center operations and programs.
- PTO
- Professional development and mentorship from experienced conservation staff
- Unique exposure to a wide range of nonprofit conservation activities
- Real-world experience in science communication, education, wildlife care, and research
- Opportunity to live and work in a spectacular natural setting of the Greater Yellowstone Ecosystem.

EMPLOYMENT at TETON RAPTOR CENTER

Teton Raptor Center is an equal opportunity employer with a smoke-free and drug-free workplace. Successful applicants will be required to pass a background check, driving check, and drug screening.
